Rates & Services**

LEVEL I: Adult Day Health Services.....\$100.00/Session (Four Hour Minimum)
\$25.00/Hour (After the Minimum)

Active Day, Adult Day Health Care provides a supervised daytime program where frail or disabled adults can participate in social, educational, and therapeutic activities. Services at this level are the basic “core services.” Core services include: *an individual assessment, a team approach plan of care, basic health monitoring with consultation from a registered nurse, social services, therapeutic activities, at least one nutritional meal per day and snacks (modified diets available as needed), coordination of transportation, and emergency care for participants.*

Level I services are appropriate for clients who have chronic medical conditions that do not require the services of a skilled health professional/nurse on a routine basis.

LEVEL II: Adult Day Health Services.....&125.00/Session (Four Hour Minimum)
\$30.00/Hour (After the Minimum)

Active Day, Adult Day Health Care is a structured program that offers licensed rehabilitative and skilled nursing services to frail or disabled adults. These services are offered in an environment that provides work services and socialization to all participants. **Level II** services offer rehabilitative, nursing, and professional level psychological/counseling services. All services offered within the **Active Day** program focus on prevention, teaching, and health monitoring.

- **Physical and Occupational Therapy Services**.....Available as Needed
- **Additional skilled nursing services are available on a fee basis.**
(To be determined on an individual basis upon initial assessment.)

A one-time comprehensive assessment fee of \$125.00 is due at first month’s billing for all participants.

VA, Medicaid and other Third-Party Payors may cover costs in full or in part.
